- i. KAMMERFRØKEN ELISABETH SOPHIA MARIA⁹ VON EYBEN¹¹, b. 27 januar 1735/36, Lübeck, Germany; d. 1780, Godset Muggesfeldt, Holsten (familien Moltke).

Notes for KAMMERFRØKEN ELISABETH SOPHIA MARIA VON EYBEN:

Elisabeths fødselsår har der været varierende oplysninger om. Postmesteren fik i sin tid oplyst året 1745, men det er usandsynligt idet hun da ville være blot 21 år da hun bliver kammerfrøken. Et brev fra det kloster, hun døde i, til min far William, sætter hendes fødselsår til 1736, hvilket er mere sandsynligt og virker troværdigt.

Dronning Caroline Mathilde betroede sig til Elisabeth om sit forhold til Struense hvilket formentlig var årsagen til, at Elisabeth blev fjernet fra hoffet i 1771, året før Struensees fald. Elisabeth blev afhørt skriftligt af kommissionen, der endte med at dømme Struensee til døden, og hun afgav den 24-Febr-1772 en meget belastende forklaring om forholdet mellem dronningen og Struensee, lidet anende, at Struensee fire dage før havde afgivet fuld tilståelse i Kuppet i København.

Elisabeths bror, Joachim Werner, deltog i arrestationen af Struensee banden.

Elisabeths liv er skildret i en skønlitterær roman:

Notes for JOACHIM WERNER VON EYBEN:

Joachim havde 7 sønner og 3 døtre.

Fra 3 af disse sønner nedstammer de 3 nulevende danske linjer i slægten.

Deltog i opgøret med Struensee ved natten mellem 1-2 Februar 1771 at arrestere kongens livlæge Berger. Struensee selv havde ikke tid til at fungere som livlæge! Joachim gennemførte arrestationen om natten og afleverede Berger til fængslet (i Kastellet?) og skrev en rapport om sit arbejde. Denne findes formentlig i Rigsarkivet.

Notes for AGNES MARIE:

Var den sidst levende del af den grevelige familie og i besiddelse af familie billederne. Hun overlevede den gamle greve med 10 år - og hendes ældrer bror døde allerede som 44 årig, altså tidligere end sin far, den gamle greve.

Skriver breve i

Berlin den 23. Juli 1894

omhandlende familie billederne. Noterer til sidst at hun vil forandre sit testamente, så billederne overdrages til brevenes modtager med krav om at de for evigt skal forblive i familiens varetægt. Brevene er i besiddelse hos Ulrich von Eyben i Göteborg.

Billederne - ialt 30 stk. - forsikres 30. januar 1930 for 11.000 kroner af postmester von Eyben i Ruds Vedby.

Disse billeder er år 2000 i besiddelse hos Ulrich og Jarl Edler von Eyben i Göteborg og blev affotograferet sommeren 1999. De originale diapositiver er i min varetægt og grundlag for denne database.

Alternativt ville han have fået sig en gård på Gjøllø, en ø i Limfjorden.

Subject: Henriette Louise Hedevig von Eyben

Min farfars farfar Peter Wilhelm Christian Houmann (född 29 feb 1828 död 1905) var gift med Henriette Louise Hedevig von Eyben (född 12 maj 1833, död 1920). Peter Houmann var propietaer och var under en tid plantagägare i Argentina. Henriette von Eyben och Peter Houmann slog sig sedan ned som jordbrukare och ägde Munkagård Ysby i södra Halland. Efter sin död begravdes Peter Houmann i Ränneslöv (södra Halland). Däremot har jag ej kunnat finna var Henriette von Eyben är begravd. Vet Ni mer vad som hände henne efter Peter Houmanns död vore jag mycket tacksam. Vad jag förstått fick de 14 barn av vilka jag känner till Sophus (min farfars far), Julie, Heinrich samt Axel. Axel bosatte sig i Köpenhamn och har två söner i USA. Heinrich har efterlämat manliga efterkommande i Danmark.

Med vänlig hälsning

Martin Houmann

Notes for WERNER VON EYBEN:

Werner overtog de malerier, som postmester August havde samlet ifm sit genealogiske arbejde. Senere videregik disse malerier til sønnen Ulrich, hos hvem de blev fotograferet sommeren 1999. Ulrich lod visse af malerierne gå videre til sin søn, Jarl. Werner var formentlig leder af den familiestiftelse, der indtil 1. verdenskrig kunne støtte uddannelse af medlemmer af familien. Ulrich blev den sidste, der fik støttet sin uddannelse af denne stiftelse.

Terese added the middle name Angela to her name in April 2003. It is to honor this part of her mothers name and the tradition in the Müller family to have Angela part of a girl's name. It is Terese Angela's wish that this will establish a tradition to use Angela as a middle name in the female side of the family just as Edler is used on the male side.

Notes for NICOLAS EDLER BIRD VON EYBEN:
email 15-1-2005 from David to Keld.
Greetings everyone,

We would like to introduce the newest member of our family: Nicolas Edler Bird von Eyben! Nicolas was born today at the Onze Lieve Vrouwe Gasthuis in Amsterdam, January 15th at about 3:25pm. Everyone is home already and doing well! We took advantage of the Dutch tradition of going home only 2-4 hours after the birth. Our experience at the hospital was great and the midwife and nurses were wonderful. Of course, Rie's favorite person (after Dave) was the anesthesiologist who provided the epidural. As you can see the little guy is pretty tired and at this point he has spent most of his whole life sleeping.

love to all,
Rie, David, Mathias, and little Nicolas
